Index Subjects

Agro-Industry

- Physico-chemical Characteristics and Fatty Acids Composition of *Raphia sese* and *Raphia laurentii* Oils (*in French*) 26

Animal Health

- The Influence of African Animal Trypanosomiasis on Reproduction of Cattle in Africa (*in French*) 58

Animal Inventory

- Wild Animals Kept in the Town of Bunia (Democratic Republic of Congo) : Inventory and Application of the Laws Related to Detention (*in French*) 84
- Cropping and Grazing Pressure on the Riverine Zone of the Pendjari Biosphere Reserve (*in French*) 112

Animal Nutrition

- Pasture Value of Herbage in Soudanian Region : The Case of Sahelian in North-Senegal (*in French*) 1
- Effect of Cotton Seed Level on Milk Production and Composition in Burkinabé Sahelian Does (*in French*) 32
- Strategy of Utilization of Locally Available Crop Residues and By-Products for Livestock Feeding in Tunisia (*in English*) 68
- Addition of Soybean Meal and/or Rapeseed Meal in Barley-Based Concentrate for Fattening Sheep of D'Man and Queue Fine de l'Ouest Breeds (*in French*) 74
- Consumption of some Tropical Grass Forages by Guinea-Pigs (*Cavia porcellus*) : Performances and Determination of Required Areas to Maintain a Flock (*in French*) 80
- Effect of a High or Low Protein Feed Supplement on Severity of a Fungi-Contaminated Diet on Performance of Chicks (*in English*) 118
- Use of Some Local Animal Protein Sources in the Feeding of Broilers (*in French*) 122
- Short-Term Intake and "in sacco" Degradability of Mixtures of Two Tropical Legumes (*in English*) 164
- Effect of Dietary Concentrate Rate on Intake, Weight Gain and Body Development in Djalonné Mossi Sheep (*in French*) 171

Animal Production

- Pasture Value of Herbage in Soudanian Region : The Case of Sahelian in North-Senegal (*in French*) 1
- Effect of Cotton Seed Level on Milk Production and Composition in Burkinabé Sahelian Does (*in French*) 32
- The Breeding of Brush-tailed Porcupines (*Atherurus africanus*, Gray 1842) in Gabon (*in French*) 40
- Dose Effects of Pregnant Mare Serum Gonadotropin on Reproductive Strategy of Utilization of Locally Available Crop Residues and By-Products for Livestock Feeding in Tunisia (*in English*) 68
- Addition of Soybean Meal and/or Rapeseed Meal in Barley-Based Concentrate for Fattening Sheep of D'Man and Queue Fine de l'Ouest Breeds (*in French*) 74
- Consumption of some Tropical Grass Forages by Guinea-Pigs (*Cavia porcellus*) : Performances and Determination of Required Areas to Maintain a Flock (*in French*) 80
- Effect of a High or Low Protein Feed Supplement on Severity of a Fungi-Contaminated Diet on Performance of Chicks (*in English*) 118
- Use of Some Local Animal Protein Sources in the Feeding of Broilers (*in French*) 122
- Dose Effects of Pregnant Mare Serum Gonadotropin on Reproductive Performances of Djalonné var. 'Mossi' Ewes (*in French*) 126
- Draw-down of Water Surfaces, Physico-Chemical Variations and the Production of Artisanal Fisheries in the Bagré. East-Center Burkina-Faso. (*in French*) 130
- Effect of System of Management and Genotype on Reproductive Performance of Goats in Oman (*in English*) ... 136
- A Preliminary Trial on the Use of Barium Chloride for Pregnancy Diagnosis in Sows (*in English*) 161
- Effect of Dietary Concentrate Rate on Intake, Weight Gain and Body Development in Djalonné Mossi Sheep (*in French*) 171
- Estrous Synchronisation in Djalonné, var. 'Mossi' Ewes : Comparison of Hormonal Treatment and Ram Effect (*in French*) 177

Appropriated Technology

- Do Permethrin-Treated Screens Repel Sand Flies from Entering Houses ? (*in English*) 19

Beekeeping

- Beekeeping in Tanzania (*in English*) 94

- Bibliography** 47, 95, 220

Cash Crops

- Impact of Birds on Maize *Zea mays* L. Field in the Lwiro Swamp, South-Kivu, East Republic Democratic of Congo and some Suggestions for their Control (*in French*) 37

Cattle Breeding

- A Modernization Study of Traditional Cattle Breeding in Eastern Congo (*in French*) 142

Ecology

- Effects of Inoculation with the Five *Glomus* Species on *Racosperma auriculiforme* Growth and Nodulation in a Nursery in the Democratic Republic of the Congo (*in French*) 63

Economics

- Beyond Positive Sciences : an Anthropological Approach to Market Analysis in North-Western Ghana (*in English*) 14
 Fish Availability and Buying-power of the Local Population in the Central Comoe Region (Ivory Coast) (*in French*) 102
 Effects of Economic Liberalization on the Flow of Commercial Banks Credit to Farmers in Rivers State, Nigeria (*in English*) 52
 Technical and Economic Characteristics from Mules Transportation in Mountain Conditions (*in Spanish*) 186
 Private Sector Nursery Owners in Burundi, Towards the Professionalization of Forestry (*in French*) 190

Entomology

- Do Permethrin-Treated Screens Repel Sand Flies from Entering Houses ? (*in English*) 19
 The Major Pests of Cabbage (*Brassica oleracea* var. *capitata* subs *sabouda*) of Bukavu and Around (*in French*) 55
 Assessment of the Efficacy of *Tephrosia vogelii* Hook Leaf Decoction to Control Major Pigeonpea Pests in Eastern Kenya (*in English*) 158
 A New Rearing Technique of Phytophagous Mite *Tetranychus urticae* Koch (Acari : Tetranychidae) and its Application in the Study of the Efficacy of some Acaricides on Potato (*Solanum tuberosum* L.) (*in French*) 167
 Preliminary Farming Study of Butterflies (*Anaphe infracta* : Thaumepoeidae) for the Production of Consumable Caterpillars at Lwiro, South Kivu, Democratic Republic of Congo (*in French*) 208

Environnement

- Pasture Value of Herbage in Soudanian Region : The Case of Sahelian in North-Senegal (*in French*) 1
 Effects of Inoculation with the Five *Glomus* Species on *Racosperma auriculiforme* Growth and Nodulation in a Nursery in the Democratic Republic of the Congo (*in French*) 63
 Land Clearing Effect on the Variability of some Soil Properties of an Alfisol in South-Western Nigeria (*in English*) 107
 Cropping and Grazing Pressure on the Riverine Zone of the Pendjari Biosphere Reserve (*in French*) 112

Fertilizers

- Adoption of Research Recommendations by Rice Farmers : A Case Study on Bangkok Plain (*in English*) 9

Fisheries

- Fish Availability and Buying-power of the Local Population in the Central Comoe Region (Ivory Coast) (*in French*) 102
 Draw-down of Water Surfaces, Physico-Chemical Variations and the Production of Artisanal Fisheries in the Bagré. East-Center Burkina-Faso. (*in French*) 130

Forestry

- Effects of Inoculation with the Five *Glomus* Species on *Racosperma auriculiforme* Growth and Nodulation in a Nursery in the Democratic Republic of the Congo (*in French*) 63
 The Project " Communal Forestry Development in the Bolivian Highlands" : a New Vision of Communaury Agroforestry (*in French*) 97
 Private Sector Nursery Owners in Burundi, Towards the Professionalization of Forestry (*in French*) 190

Marketing

- Fish Availability and Buying-power of the Local Population in the Central Comoe Region (Ivory Coast) (*in French*) 102

Minilivestock

- The Breeding of Brush-tailed Porcupines (*Atherurus africanus*, Gray 1842) in Gabon (*in French*) 40
 Consumption of some Tropical Grass Forages by Guinea-Pigs (*Cavia porcellus*) : Performances and Determination of Required Areas to Maintain a Flock (*in French*) 80
 Preliminary Farming Study of Butterflies (*Anaphe infracta* : Thaumepoeidae) for the Production of Consumable Caterpillars at Lwiro, South Kivu, Democratic Republic of Congo (*in French*) 208
 Maggots Production as Proteins Source for Young Poultry in Togo – Preliminary Observation (*in French*) 212
 Controlled Production and Use of Maggots (*in French*) 215

Physiology

- Eco-physiological Analysis of Drought and Salinity Stress Quinoa (*Chenopodium quinoa* Willd.) (*in Spanish*) 198

Plant Breeding

- Analysis of the Microsporogenesis of BC₂A and BC₃ Plants Issued from the *G. hirsutum* L. x *G. raimondii* Ulb. x *G. sturtianum* Will. (*in French*) 44

Plant Inventory

Inventory of Honeybees Plants Growing in Bukavu and Surroundings (South-Kivu, Eastern of Democratic Republic of Congo) (<i>in French</i>)	89
---	----

Plant Pathology

Rearing of Potato Tuber moth <i>Phthorimaea operculella</i> Zel. (Lepidoptera : Gelechiidae) in the Laboratory Biological Parameters and the Influence of Sugar Levels in the Feeding of Adults (<i>in French</i>)	23
The Major Pests of Cabbage (<i>Brassica oleracea</i> var. <i>capitata</i> subs <i>sabouda</i>) of Bukavu and Around (<i>in French</i>)	55
Assessment of the Efficacy of <i>Tephrosia vogelii</i> Hook Leave Decoction to Control Major Pigeonpea Pests in Eastern Kenya (<i>in English</i>)	58

Plant Production

Adoption of Research Recommendations by Rice Farmers : A Case Study on Bangkok Plain (<i>in English</i>)	9
Analysis of the Microsporogenesis of BC ₂ A and BC ₃ Plants Issued from the <i>G. hirsutum</i> L. x <i>G. raimondii</i> Ulb. x <i>G. sturtianum</i> Will. (<i>in French</i>)	44
Growth and Yield of Soybean (<i>Glycine max</i> (L.) Merr.) as Influenced by Combined Application of Cowdung and NPK Fertilizer in Ogoja, Southeastern Nigeria (<i>in English</i>)	49
Effects of Inoculation with the Five <i>Glomus</i> Species on <i>Racosperma auriculiforme</i> Growth and Nodulation in a Nursery in the Democratic Republic of the Congo (<i>in French</i>)	63
Weed Competition in Cotton Crop : Effect of Hoe-Weeding on Biomass and Yield (<i>in French</i>)	148
A Comparison of Maize Production in Kenya before and during Liberalisation Period (<i>in English</i>)	181
Phenotypic Diversity of some Populations of Rosmary (<i>Rosmarinus officinalis</i> L.) in Tunisia (<i>in French</i>)	203

Plant Protection

Adoption of Research Recommendations by Rice Farmers : A Case Study on Bangkok Plain (<i>in English</i>)	9
Rearing of Potato Tuber moth <i>Phthorimaea operculella</i> Zel. (Lepidoptera : Gelechiidae) in the Laboratory Biological Parameters and the Influence of Sugar Levels in the Feeding of Adults (<i>in French</i>)	23
Impact of Birds on Maize <i>Zea mays</i> L. Field in the Lwiro Swamp, South-Kivu, East Republic Democratic of Congo and some Suggestions for their Control (<i>in French</i>)	37
The Major Pests of Cabbage (<i>Brassica oleracea</i> var. <i>capitata</i> subs <i>sabouda</i>) of Bukavu and Around (<i>in French</i>)	55
Weed Competition in Cotton Crop : Effect of Hoe-Weeding on Biomass and Yield (<i>in French</i>)	148
Assessment of the Efficacy of <i>Tephrosia vogelii</i> Hook Leave Decoction to Control Major Pigeonpea Pests in Eastern Kenya (<i>in English</i>)	158
A New Rearing Technique of Phytophagous Mite <i>Tetranychus urticae</i> Koch (Acari : Tetranychidae) and its Application in the Study of the Efficacy of some Acaricides on Potato (<i>Solanum tuberosum</i> L.) (<i>in French</i>)	167

Poultry

Effect of a High or Low Protein Feed Supplement on Severity of a Fungi-Contaminated Diet on Performance of Chicks (<i>in English</i>)	118
Use of Some Local Animal Protein Sources in the Feeding of Broilers (<i>in French</i>)	122
Maggots Production as Proteins Source for Young Poultry in Togo – Preliminary Observation (<i>in French</i>)	212

Projects

The Project “ Communal Forestry Development in the Bolivian Highlands” : a New Vision of Communaury Agroforestry (<i>in French</i>)	97
---	----

Ruminants

The Influence of African Animal Trypanosomiasis on Reproduction of Cattle in Africa (<i>in French</i>)	58
Strategy of Utilization of Locally Available Crop Residues and By-Products for Livestock Feeding in Tunisia (<i>in English</i>)	68
A Modernization Study of Traditional Cattle Breeding in Eastern Congo (<i>in French</i>)	142

Sociology

Effects of Economic Liberalization on the Flow of Commercial Banks Credit to Farmers in Rivers State, Nigeria (<i>in English</i>)	152
Technical and Economic Characteristics from Mules Transportation in Mountain Conditions (<i>in Spanish</i>)	186

Soil Science

Pasture Value of Herbage in Soudanian Region : The Case of Sahelian in North-Senegal (<i>in French</i>)	1
Land Clearing Effect on the Variability of some Soil Properties of an Alfisol in South-Western Nigeria (<i>in English</i>)	107

Veterinary Science

The Influence of African Animal Trypanosomiasis on Reproduction of Cattle in Africa (<i>in French</i>)	58
--	----

Wild Fauna

Cropping and Grazing Pressure on the Riverine Zone of the Pendjari Biosphere Reserve (<i>in French</i>)	112
---	-----
