Koninklijke Academie  
voor  
Overzeese Wetenschappen

Academie Royale  
des  
Sciences d'Outre-Mer

The Royal Academy for Overseas Sciences will organize an International Conference on Sustainable Energy for Africa. This three-day conference will take place from **23 until 25 October 2017** at the Palais des Académies in Brussels.

Papers and posters dealing with various themes related to the issue will be presented by academics and representatives of the industrial world.

More information will soon be available on the website of the Academy: [www.kaowarsom.be](http://www.kaowarsom.be)
